Notice of Sale of Arack and

provisions of the law, to simplify
and curtail work & save the
farmers & Govt much trouble & loss of
time.

Letter No. 3409 dated 9th Feb/95

from the Excise Commr in Mysore

(864) LAST REFERENCE.

Preliminary The Excise Commr
has again mixed up (i)
Arack (ii) Toddy for which
separate rules & forms were
prescribed and on which
he was separately addressed
by Govt. Separate notes
however have been drawn
up on each head.

T. Arack

Sale notice } This should con-
-tain all the principal and
most vital points directly
affecting the Rev & its recovery.

Other matters of secondary importance and pertaining to discipline, sanitation, &c. should be embodied in a few simple Dept^l "Rules of Practice".

2. In the above connection, the conditions prescribed in the sale notice should be strictly confined to what the intending farmer is to do & his employ^{rs}. What is expected of ^(by) the officers of Govt should form a distinct set of Rules. Both the rules framed under notification D/ 30th March 190495, para 11, rule XXI and its clauses should be amended accordingly, as the two are in many respects mixed up. So also are several subjects. These subjects should form separate heads in the notification and the subsidiary rules dealing with the details appended. When amendments are necessary, it will not then be deemed necessary to alter the principal rules.

3

but only the appendix. The former should stand like a rock but the latter are susceptible of change. This applies to all items of expense.

3 In the present arrangement, we have

(a) the main Rules issued under the notification,

(b) the Sale notices which take in the above & a lot more,

(c) the license & counterpart engagements executed by monopoly Vend Farmers which take parts of both (a) & (b) and a lot more, thus to be stamped,

(d) the license of retail shop-keepers employed by the above with counterpart ^{engagements} thus to be stamped,

(e) the Bonded Depot License and counterpart engagements stamped, to be executed by men employed by the monopoly Vend Farmers.

4 To give practical effect to the above,

(a) the Deputy Commissioner has to

Confirm the sale in a second
notice in which the particulars
of the Farm have to be trans-
-cribed, and some of the con-
ditions in the "Original Sale
notice" re-iterated.

(b) It has to be sent to the
officer of Govt and personally
served by him on the Farmer
and then returned to the
Dist^o office,

(c) The Farmer has in 15
days, ^{thereafter} to personally produce
the balance of deposit due
and a stamp fee of 8 annas,
sign the acceptance as per
para 3(c) above,

(d) Within 10 days thereafter,
he is ^{to come again &} to bring all his shop-
keepers with 8 annas stamp
fee for each shop license &
acceptance,

(e) The Farmer in the interval
issues an ad-interim License
to the shop keepers to act.
He is thus vested with the
powers of a Dy Commr.

(f) there is all the ~~Separate~~
Correspondence with the
Farmer, the Amildar, and
the Dist^l office to and fro to
give effect to the above.

5. What the Chief Secy
suggests is both simple ^{and} ~~simple~~
practical. Let the sale notice
be drawn up as per para 1
of this note. Let the accept-
ances, endorsements and
orders be all printed at
foot of the original sale notice
(Vide Form in red ink) ^{or such others as may be}.
Let the Farmer at once pay
up the ^{due} deposit and 8 Annas
Stamp fee and sign the
acceptance. As the Dy Commr
conducts the sale, he con-
firms it at once, the
endorsement made order
signed on the spot, and the
duplicate given to the Farmer
to serve as his license and
agreement with Govt and
the original recorded, -
the terms can thus be

enforced at once. In the absence of the Dy Commr, the acceptance signed and the stamp fee can be sent to him by the Asst Commr. In any case the whole transaction is completed with one reference only. Any evasion by the Farmer ^{thereafter} is thus fully provided against.

6. The Amildar can issue as many copies of the above sale notice ^{as that he} to shop keepers as the Farmer has shops. The whole procedure is thus simplified, work curtailed, and needless trouble saved to the Farmer & the officers of Govt.

7. The notice of Sale and Rule XXI can be readily amended to attain the objects aimed at.

8. To strike the sale amount and ~~readily~~ ^{readily} recover it from the Vendor on the same Chellan on which he pays for liquor & duty is simple and effectual.

as to commend itself on the
face of it, especially as it
will reduce the deposit
lodged, as security, con-
siderably, and is therefore
advocated by the Chief Secy
of the with-holding of
valuable information from
the Farmer till the last
moment is not desirable,
but ^{decidedly} objectionable, and should
be published to give him
time to consider ^{beforehand} all the
surrounding circumstances,
and offer a fair and
equitable bid as advo-
cated by the Chief Secy.

SUBJECT.

Practical modifications & necessary in the notices of sale of Date Toddy to save the Farmers and Officers of Govt much needless trouble & bother and afford the farmers a better insight into the latent value of their farms.

LAST REFERENCE.

Letter No. 3409 dated 9th Feb/95
 from the House Commr in Mysore

The House Commr has again mixed up two ^{quite} distinct subjects as Toddy and Avraach, for which separate Rules and Forms were prescribed and on which he was separately addressed by Govt. This note treats of Toddy alone and for Avraach a separate note is put up.

1 Present procedure } What is now required of the Farmer is embodied in the notices of Sale of Toddy Farms.

- (a) A "notice" of Confirmation of Sale has to be issued to the Farmer by the Dy Commr,
- (b) ^{notice} The has to be personally delivered to the Farmer and endorsement endorsed thereon,
- (c) ^{notice} The has to be returned to the Dy Commr,
- (d) The presence of ^{the} Farmer is necessary 15 days after to bring the balance of deposit and stamp fee for acceptance of agreement to be signed by him,
- (e) The Submitter ^{with above} con. to Dy Commr for endorsement,
- (f) Transmission of license,
- (g) Presence of Farmer and his shop keepers 10 days after to sign acceptances, pay stamp fee thereon and take the Retail Licenses.
- (h) The issue of Ad-interim licenses or permits by the Farmer also, ^{who has} ~~and~~ thus to be vested with the powers of a Deputy Commr.

2. Proposed procedure:—

The notice of Sale ^{must} contain

(a) All the most important and vital conditions to be enacted ^{and} and to be strictly confined to what is expected of the Farmer;

(b) Matters of discipline, Sanitation &c to be embodied in a few, short & simple Dept^l - "Rules of Practice" which the parties should be educated to follow and adopt, by the Excise Officers' constant visits and punishment to be inflicted only in cases of persistence and stubborn disregard thereof and by the Amildar of the Taluk with a fine not exceeding Rs 5/-.

(c) Immediately the Farmer is knocked down to, the purchaser to sign the acceptance at foot of the above Sale notice, to pay the first instalment of his deposit and the stamp for endorsement thereon and 15 days thereafter the balance

of this deposit and ^{to} enter on
his work, if not formally
approved by the Deputy Commr
who will at once confirm
Sales if present or give notice
^{within 15 days without fail,}
if he does not intend to do so.

(d) The Confirmatory order
under the acceptance Com-
-pletes the whole work, as
the Conditions of ^{the} Sale notice
are thereby made the terms of
the bond, agreement or license.

(e) The Amildar issues ^{attested} as many
copies of (d) as the Farmer has
shops.

3. The whole procedure is
therefore simplified. The
Farmer has not to anxious
-ly wait along ^{interval} after ^{1st} 15 days
^{of sale} in doubt as to whether he
will get his farm or not,
he has not to come back
-wards & forwards and
bring his shop keepers to
& fro and ~~has~~ himself in
dispair issue ad-interim
^{after expiration of sale -}
Licenses. Needless Correspondence

trouble and loss of time
to all are thus obviated.

4 All the statistics avail-
-able to serve intending
farmers to properly gauge
the extent of their farms ^{and participating thereto,} &
the financial working thereof
should be published, and finally
help thus given them to fully
consider the surrounding cir-
-cumstances, and this in-
-formation in whole or part
should not be deferred, or
withheld, till the last moment ^{as at present.} It is not ~~fair~~
fair or just to do so. It
looks as if one wanted to
take advantage of a man.
It has been reported that
the men have actually been
mistaken in bidding higher for
their farms ~~than~~ than they were
worth by the ^{mis-}representations
made by the Excise officials
at the time of sale. The farmer
should be quite independent
of all this bi-play.

5¹³ The issue of a few simple
"Rules of Practice" is a crying
want and should be framed
and sent up in consultation
with Dy Cowers for the approval
of the Council. The main point is the

2. He is of opinion that with the additions and changes proposed, he cannot see any thing illegal in the several suggestions made in both the Chief Secy's letters to the Excise Commr, especially as regards the acceptances at foot of the notices of sale for Arrack & Toddy respectively.
3. On the other hand, it is but just & fair that full information connected with

the 2nd Farm should be published and not withheld till the last moment.

Hi.

I am directed to forward for favour of opinion and remarks if any, the accompanying proposed draft notification relative to the Sale of Toddy And Jams for the ensuing year which is the same as that issued last year with the alterations made therein in red ink.

2 Of these alterations the most important are on the following points:—

(a) Provision to the effect that by signing the acceptance or Counterpart engagement in duplicate and paying the deposit, the whole transaction is complete, Vide alteration in Condition 3.

(b) So that intending bidders may be in a position to know the actual value of the farm, provision is made that statistics of rental for at least 3 years should be given in the notification, changes in the farm, if any, during this period being indicated in the Col: of remarks by giving the approximate rentals of the farm and the shops affected thereby.

(c) Conditions 5 & 7 providing for the execution of an agreement & issue of licenses to the farmers respectively are struck off and suitable provision added to the effect that acceptances referred to in Col: 3 should when endorsed by the Dy Commissioner serve as a license.

(d) Providing for the separate issue of a set of "Rules of Practice"

for the guidance of the
farmers & their employes
in lieu of their being
printed on the licenses.
A copy of these "Rules of
Practice" for each Dist^o
should be furnished to

I have the honor to request the early submission of the draft notification for the sale of Arrack Vind Farms for the year 1895-96 and the favour of an expression of your opinion on the following points:—

1. Whether it would not be desirable to divide the sub amount of Vind Farms ~~equal~~ rateably per gallon on the issues from the Depot for the previous 18 months and obtain its recovery on the same Chellan with the duty and

Value of liquor? the ~~actual~~
Amount of Security—
Can then be reduced to
one month's Whist re-
-payable at the close of
the year after adjustment
of any deficiency due by
deduction or refund as
the case may be. This pro-
-cedure I am to observe,
will curtail ^{clerical} work ~~in the~~ simplify
accounts, and facilitate
recovery of the Sale Amount
readily and without de-
-fault.

2. As in the case of the
Taddy Notification (Vide my
letter no 11782 of 26-1-95)
whether it ^{R. 1743} ~~is~~ ^{would be} ~~is~~ ^{is} advisable
to substitute the acceptance
or engagement at foot
thereof in lieu of separate
engagement, Licenses &c.

3 The form of schedule as
modified & enclosed, should

Comments itself on the ground that
I consider, be adopted, ~~at~~
~~it is~~ but fair, ^{that} all intending
purchasers should be
fully posted up in the actual
value of their farms before
purchase and nothing left
to the chapter of accidents.

I have to
Yours faithfully

From. ¹⁶ (4)

The Excise Commissioner
in Mysore.

To
The Chief Secretary to the
Dewan of Mysore.

Sir,

In continuation of my letter
No. $\frac{3285}{305}$, dated 30th ultimo, I have
the honor to forward, herewith,
for approval and publication,
draft notifications for the sale of
arrack vend farms and separate
shops and toddy vend farms for
the year 1895-96. The drafts are
similar to those issued last year.

2. I beg to submit that I am
not in favor of the alterations
suggested in your letter No.
 $\frac{11782}{R. H. 20-92}$, dated 26th ultimo, to be
made

55
made in the notification for the
Sale of Toddy Vend Farms, as they
are inconsistent with the provisions
laid down in the Toddy Rules and
License forms published under
Government Notification No. 118/3
"A.F. 233-92,"
dated 14th January 1893. Acceptance
at the foot of the Sale Notification
would be informal and illegal,
and cannot serve the purpose of
an agreement or license. The former
should be formally executed in the
form prescribed by government,
half a rupee Stamp duty being
recovered and the necessary certificate
endorsed thereon by the Deputy
Commissioner, and the latter should
be formally issued by the Deputy
Commissioner, under the provisions
of the Excise Act, in the form
prescribed by government. Moreover,
all the officers concerned, as well
as the Farmers &c being well
grounded in the present forms of
Sale Notifications, rules of procedure,
conditions

Conditions of Licenses &c, and the new ^{Sto} system being in good working order, I consider that it would be inadvisable to disturb the existing arrangements. Accordingly I have prepared my draft agreeably to the notification approved and published by government last year. In the Schedule appended to the arrack notification the Statistics of the rentals for three years have been given. An attempt was made to do the same in the Schedule of the Saddy notification, but was found impossible as the Deputy Commissioners have, year by year, rearranged the Farms by sub-dividing them, and transferring the Shops from one Farm to another, to suit local circumstances and convenience of the Cadigars. Therefore the amounts of rental for two years only, viz 1893-94 and

1894-95, are shown in the Toddy
notification.

3. I have prescribed a form
for deputy Commissioners to notify
the confirmation of sales to
successful bidders as per para
3 of Government notifications
for the sale of arrack and
Toddy Farms. I have also
prescribed a form for the
"Free-tapping license" referred
to in para 7 (1) of the Toddy
notification. Copies of my
circulars on the subject are dated 16th February
herewith submitted for information. 1894.

4. The draft of the Toddy
notification received with
your letter, is herewith returned.

I have the honor to be
Sir,

Your most obedient servant

Thicketts
Excise Commissioner

The Excise Commissioner

To,

The Chief Secretary to the
Dewan of Mysore.

Sir,

In reply to your letter
No. ⁽²⁾ 11969, dated 29th January 1895, I
Q. 1751 8th February
have the honor to state that draft
Notifications for the sale of Arrack
Vend Farms and Separate Shops and
Loddy Vend Farms for the year
1895-96, have been forwarded with
my letter No. 3409, dated 9th instant.

2. I beg to submit the following
opinion on the several points -
suggested in the letter under reply:-

(1). It would not be desirable to
divide the rental or sale amount
of Vend farms ratably per gallon
on the issues from the Depôts for the
previous eighteen months and recover
it along with the duty and price
of Arrack on the same Chellam. As
per Section 7 of the Excise Act, no
spirit shall be removed from the
Distillery

Distillery or Bonded Warehouse or
Depôt attached to the Distillery, -
until the prescribed _____ duty
in respect of such spirit has been
prepaid. Accordingly, Vend ✓
Farmers and Separate Shop-Keepers ✓
prepay still-head duty into ~~the~~
Government Treasuries and
obtain the prescribed Chellans, on
production of which the quantities
of Arrack covered by such Chellans, or the
quantities exactly equal to the still-head
duty shown in the Chellans as
prepaid, are issued by the Distillery
Officer, or Bonded Depôt-Keepers,
as the case may be. This item
is quite independent of, and
different from, the rental i.e. -
license fee, the amount of which
is determined by the results of the auction
sales. This amount has to be paid
periodically as per clause (b) of section
55 of the Excise Act; and accordingly
it is regulated by the rules framed
and issued by Government under
clauses (a), (b), (c) and (d) of Section
55 of the Excise Act. Under such ✓
rules the payment has to be made
into Treasuries in equal monthly
instalments. Therefore it would
not only be incorrect to divide
such rental ratably per gallon
or

✓ 8
✓ Valer
gallons

✓

2
on the issues from Depôts for the previous eighteen months, but would also be irregular to mix it up with the still-head duty which is prepaid for exact quantities of Arrack to be drawn from the Distillery or Depôts. The present system is working smoothly and well. I am not in favor of the proposed change, as, in my humble opinion, it would simply cause confusion not only in the system itself, but also in the Accounts; and thus it would increase rather than curtail clerical work.

(2). I have already explained in my former letter N^o $\frac{3409}{319}$, dated 9th instant, that it would not be advisable to take "acceptance or engagement" at the foot of sale Notifications in lieu of separate formal licenses and counterpart agreements.

(3). The existing forms of Schedules without the enumeration of the details of individual shops attached to the respective Farms, are already voluminous. I consider it undesirable to further increase their size which would

would entail unnecessary delay
in the publication of the Notification;
cost of paper, printing &c. As
laid down in para 6. of the
Notification the particulars relating
to individual shops are duly
given to the intending bidders
at the time of sales. I shall
in due course issue instructions
to the Deputy Commissioners to
have such particulars placarded
in the accompanying form, for
three years since the introduction
of the new system, on the Notice
Boards in the respective Taluk
Cutcheries, for the information
of the intending bidders.

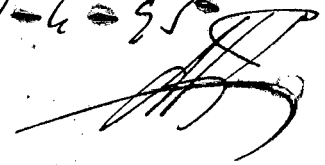

I have the honor to be,
Sir,

Your most obedient servant.
